16 August 2018

Dear Principal or Chess Coordinator,

## North-West Sydney Primary Schools One-Day Chess Teams Tournaments

The NSW Junior Chess League is pleased to invite your school to participate in any of the following One-Day Chess Teams Tournaments we are conducting in North-West Sydney.

<b>HILLS DISTRICT</b> Monday 17 September North Rocks Public School 359 North Rocks Road North Rocks	<b>HAWKESBURY</b> Tuesday 18 September Bligh Park Public School Alexander Street Bligh Park	<b>NEPEAN</b> Thursday 20 September Emu Plains Public School 13-17 Emerald Street Emu Plains
<b>CUMBERLAND</b> Monday 24 September Toongabbie Christian College 30-40 Metella Road Toongabbie	<b>BLACKTOWN</b> Tuesday 25 September Hassall Grove Public School Buckwell Drive Hassall Grove	<b>TIMES:</b> 9.15 a.m. until 2.30 p.m. <b>TEAMS:</b> <u>Three</u> players per team <b>ENTRIES:</b> Please enter online or by email, fax or mail at least three school days before the tournament.

The tournaments are part of a series of primary schools tournaments which we are holding around the state and will be similar to the tournaments we have conducted in these areas for many years.

Our one-day tournaments are particularly suitable for schools and players new to competitive chess, although those that have been taking part in our other inter-school competition are of course welcome too.

**Free Entry:** Although we no longer have the sponsorship that has helped us finance these tournaments for many years we are still able, at least for this year, to run them **without charging an entry fee**.

**Playing Standard:** Your players do not have to be experts! They will, however, need to understand the basic rules of chess and competitive play. The rules of competitive play are on our website, [www.nswjcl.org.au](http://www.nswjcl.org.au) (click on **Schools** and then click on **Rules** under the heading **Primary Schools One-Day Tournaments**).

**Number of Teams:** The number of teams will be limited by the size of the venue, so we suggest you send in your entry quickly to ensure a place. **Multiple teams** from the one school will be accepted, if numbers and space permit. From past experience we expect to be able to accommodate four or five teams from schools wishing to enter them, and more in the larger venues – provided that entries are received by the closing date.

**Supervision, etc.:** Although we shall be providing supervision throughout the day we ask that each school arrange for an adult to stay with the children during the day – this could be a teacher or a parent. In previous years these tournaments have attracted interest from the media. Please ensure that your players have media permission to be photographed or interviewed for television and newspapers (or let us know which do not).

**Why Chess?** The educational benefits of teaching chess to young children are now well recognised, having been demonstrated by research carried out in many countries. A paper summarising this research (Dr Peter Dauvergne: *A Case for Chess as a Tool to Develop our Children's Minds*) may be found on our website.

Chess is becoming increasingly popular in schools throughout NSW. Last year 887 teams from 199 schools took part in the 28 district tournaments of the One-Day series. This year over 800 teams (of four players) have been competing in our weekly Primary Schools Competition, including teams from 28 schools in the Metropolitan West Region.

**How to Enter:** Please either enter online via our website or use the entry form below and fax, mail or email it as soon as possible (to reach us no later than three school days before the tournament). To enter online go to our website [www.nswjcl.org.au](http://www.nswjcl.org.au) – click on **Schools** in the homepage menu and then on **Entry Details** under the heading **Primary Schools One-Day Tournaments** (bottom left). You may enter teams in any of the tournaments, and even in more than one tournament if you like, but we ask that these be different teams, with each player participating in only one tournament.

**Alternative Tournaments:** If the dates of the tournaments clash with other school activities you may prefer to participate in one of our other tournaments to be held elsewhere in the Sydney metropolitan area and the Blue Mountains in fourth term. If so, see our website for details.

**Enquiries:** Richard Gastineau-Hills, (02) 9498 2760, 0403 962 442 or email [RichardGH@nswjcl.org.au](mailto:RichardGH@nswjcl.org.au).

Yours sincerely,

*Richard Gastineau-Hills*

Richard Gastineau-Hills  
Primary Schools Coordinator  
NSW Junior Chess League

A team from each of the top three schools in each tournament will be invited to the finals to be held in North Sydney on Sunday 25 November.
